# Delivery review minutes

14 September 2026 | Facilitator: Jordan Lee | Duration: 30 minutes

Attendees: Product, Engineering, Operations and Support.

## Decisions

- Start the pilot with the support team before inviting all departments.
- Keep the current escalation route during the first two weeks.

## Actions to follow up

| Action | Owner | Due |
|---|---|---|
| Confirm pilot participants | Product | 18 September |
| Publish the support guide | Support | 21 September |
| Exercise recovery | Operations | 23 September |

## Next meeting

28 September: review pilot feedback and decide whether to expand access.
