

1

Cover

Quarterly operations review. This sample has six numbered pages so you can see which pages a tool keeps, removes, rotates, or moves.

2

Summary

Requests completed: 248. Service availability: 99.95%. Customer satisfaction: 4.8 out of 5.

3

Delivery

The reporting rollout finished two weeks early, and the oldest support queue is now under target.

4

Risks

Two suppliers renew contracts next quarter. Both renewals have an owner and a review date.

5

Next steps

Publish the service handbook, confirm the recovery exercise, and review the September forecast.
